

YOUZEUM™ Scavenger Hunts

A note to teachers, parents, and chaperones...

Thank you for bringing your students/children to the YouZeum today. The staff at YouZeum designed this scavenger hunt to guide young learners on their journey in hopes that they will take time to fully investigate the exhibits. It is not comprehensive in nature – the YouZeum offers many more opportunities to learn.

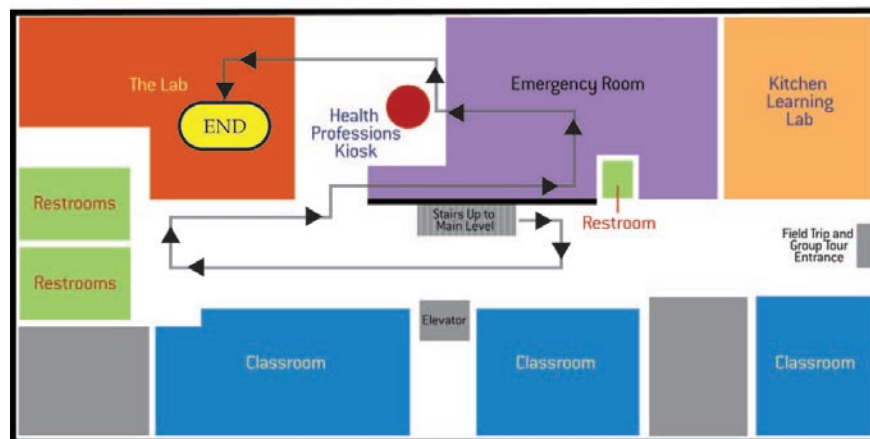

The questions follow the pathway outlined on the map below. However, it is possible for students to complete the scavenger hunt by starting anywhere on the map. Some exhibits in the YouZeum are not addressed in the scavenger hunt.

Enjoy your visit!
